Ophelia LIVE!, is surely not just an ordinary piano performance. Performing with her band, Ophelia, brings you A Luscious Blend of Warm Tropical Sounds Mixed with Smooth, Latin -Jazz Undertones. Hers is an entertaining event that is filled with a whirlwind of intense emotions and passion!!

Upbeat rhythms and warm personalities interacting on stage coupled with intense, dynamic energy and impeccable talent will captivate you as beautifully performed eclectic sounds emerge! Hers is an intricate new sound that will expand your own world and make you want to follow your dreams

A Note from Ophelia:

Joining me, for the first time in the studio, is my team of talented & innovative musicians. This project was Tons of Fun & I am so excited to share the new music with you! I hope that you find yourself smilin' & movin' to the beat as much as we did when we jammed together in the studio for The Rhythmic Jubilee Project!

Peace, Luv & Music,

Ophelia
