Reviews

High octane passionate JAZZ FUSION music, literally exploding at times with ENERGY and FIRE... Her fiercely DRAMATIC KEYBOARD ARTISTRY literally GRABS your attention and seldom lets you go. In the hands of Ophelia and company, your cares should be chased away and replaced by smiles and laughter...." *Bill Binkelman, Wind and Wire*

"For joyous tropically-influenced music, IT DOESN'T GET MUCH BETTER THAN THIS! With "Rhythmic Jubilee", Ophelia reveals another side of her very eclectic musical self, and it's a joy to behold!"

"Ophelia is truly a gifted person. Not only is she TECHNICALLY SOUND in her playing, but the feeling she conveys through her music is DEEP, PASSIONATE, AND INSPIRING."
Claudia Russell, WVPE- Elkhart, IN.

"What a surprise. *there are not many women composers of fully orchestrated music . . . I expected solo piano ... but YOU GAVE SO MUCH MORE.* Well done, beautifully produced in all ways . . . The music has GREAT DEPTH with MANY WEAVINGS OF COUNTER MELODIES . . . will stand up to repeated listening ...thanks.."

*describe
Ophelia
as*

"Incredibly Passionate!"

"Ophelia is an accomplished, talented musician and producer who plays inspired piano in a dramatic fashion. Her sound is full, rich and sparkling. The keyboard virtuoso can caress the instrument lightly or punch with vigor and energy -- whatever is necessary to make the mood." *Les Reynolds Indie Music*

"I was reminded of albums such as **McCoy Tyner's Trident** more than once."
